From **President's Desk**

Aloha everyone!

September was more than a satisfying month for Saudaminis. There were personal accomplishments and club level achievements. Starting with the personal success, our Club's Secretary, Radhika Kulkarni got listed in Guinness book for maintaining a plank position for two minutes in the Group category. At the club level for the Perfect year, RCD Saudamini received Platinum citation from RI for achievement in all avenues of service with seven certificates under the Presidentship of IPP Ashwini Sane. In the Smart year we continued our run of achievement with 3 people pledging for PHS member for the first time. To wind

up the achievements for the month, after the first quarter review, RCD Saudamini was adjudged one of the eight clubs in the district doing good events and projects. Well it is just the beginning. We have a long way to go. So we continued doing meaningful projects-this fortnight noted among them was two day exhibition and sale of products by women entrepreneurs. In the coming fortnight we have more prestigious projects, fun time with festivities. Wish everyone a very happy and prosperous Dussehra! Jai Mata Di!

Aurevoir- till we meet again
