Club Service: Weekly Meeting

Talk on **Building Infrastructure in Govt School** by **Prof. Sunil Parameswaran** & Wonderful Play **Panchavati** by **Sangama Kalavidaru**

The **weekly meeting** on 3rd September had a combination of both knowledge and art. The initial session was provided by Prof. Sunil K. Parameswaran who is the Director & CEO of Tarheel Consultancy Services, Bangalore. Sunil is a Visiting Faculty at some of the leading business schools in India, including IIM Bangalore, TAPMI. He spoke on building infrastructure for Government schools. The various facilities that need to be included in these schools are Bio Toilet Complex with Waterless Urinals, Solar Power System, Classroom with Tables and Chairs, Re-tiling of Floor and Painting of Existing Classrooms, Computers and Printers.

Later, **'Panchavati Drama'**, a delightful mix of drama, artistes, language and text was played. Considering this is a tale that has been narrated, danced, sung and acted often across the world. Yet, it is a story that lends itself to creativity and divine experience every time. The Sangama Kalavidru, a famous drama troupe founded by Sudesh K Rao, with Rtn. Sripathy as the present President presented this play enacting the story of **the abduction of Lord Sita**.

The play was executed competently. Was it the vision of the director, who is seeing Ramayana the way it needs to be, keeping in mind dialogue, dance and music? Or was it the colourful visuals created by Videos? The screaming of Maricha Ravan and his sister Surpanaka, the tempestuous advancing of the mighty bird, Jatayu, towards the chariot from the sky enhanced the appeal. The absence of colour most of the time on the screen highlighted the mood of each scene. The costumes in pleasant colour combinations helped depict the characters. The performance kept the members glued throughout the 30 minutes.

The 4 Way Test

Of the things we think, say or do

1 Is it the truth?

2 Is it fair to all concerned?

3 Will it build goodwill and better friendships?

4 Will it be beneficial to all concerned?

Community Service

RCUM organized skill development workshop to the inmates of the Jail on 09-Sep-19.

New Generation Service

Rotary Information by Rtn Shreesha Hegde

Organ Donor by Default

The Netherlands has passed a law making every adult a potential organ donor unless he explicitly 'opts out'. The law will come into force from 2020 and it aims to fix a shortage of organ donors in the country. Two mailers will be sent to persons above 18 years of age, seeking their consent for organ donation.

The status can be amended anytime. Donors can also choose which organs to donate.
