RI THEME & PRESIDENT OF THE YEAR 2019-20

Mark Daniel Maloney
Rotary International President, 2019-20

MESSAGE FROM RI PRESIDENT

Dear fellow Rotarians,

When Gay and I began practicing law, we joined my father-in-law, Gilmer Blackburn, in his law firm. He had been practicing law in Decatur, Alabama, for more than 25 years and, in that time, had also served for six years as the mayor of our city. One of the first things he taught us when we joined the firm - something he never stopped teaching, by word and by example - was the importance of paying what he referred to as our “civic rent.”

He considered paying your civic rent an obligation similar to paying your taxes or contributing to your place of worship. You benefit from being here, and those benefits are not free. You need to give something back for the privilege of being part of your community.

Organizations like Rotary allow us to pay our civic rent to our local and global communities. And when we join Rotary - when we work to keep the organization itself strong, when we give back through Rotary with our abilities, our time, and our resources we are declaring that we know that our presence in this world carries with it the obligation to serve.

All of the service that Rotary does, all of the lives we change, all of the children in the world who will never, ever get polio - all of this happens because we, joining together through Rotary, are strong. Because Rotarians, with the family of Rotary, have risen to the challenge and with each passing year strive to make our world a better place.

As a global organization with over 1.2 million members, Rotary Connects the World.

You help make that connection last and ensure both Rotary’s legacy and its future.

Kindest regards,

Mark Daniel Maloney

Rotary International President, 2019-2020

MESSAGE FROM DAZZLERS DG

Dear Rotarians and Families of Rotary Bangalore Northwest,

It is a great honour for Roopa and me to be given an opportunity to lead Rotary International District 3190.

RID 3190 is a world class district which has created many miracles.

Rotarians of your club, over the years, have made a difference by ensuring Rotary Serves Humanity.

Rotarians will now Be the Inspiration to work towards Rotary Connecting the World. To put it in one word, Rotarians in the clubs of RID 3190 during the Rotary Year 2019-20 will..... Dazzle !!

“Dazzlers” are the shining reflections of the title given to our batch of District Governors 2019-20..... “Torchbearers”. Rotary year 2019-20 is a very special year for Rotary India as we celebrate 100 years of Rotary in India.

To celebrate this centennial milestone our district has inspired a Pan India Green Movement through our Rotary ‘Koti Nati’, a concept of planting 1 crore tree saplings in the revenue districts of our Rotary District. This concept will be replicated by the other districts and Rotary ‘Koti Nati’ may achieve 100 Crore tree saplings to celebrate a century of doing good in India.

Each Rotarian can Dazzle by helping Grow Rotary, involving family of Rotary, connecting with other major organisations like the UN and other NGOs to Expand our Reach, Increase our Impact, Enhance Participation Engagement and Increase our ability to Adapt.

Rotary Clubs too can Dazzle if they progress towards becoming Effective and Vibrant clubs.

Effective clubs grow and sustain membership, implement successful service projects, contribute to The Rotary Foundation and build leadership beyond the club level.

Vibrant Clubs involve and engage their members, develop deep and strong relationships, ensure good governance and reflect diversity and personality of its members.

Let our entire District 3190 stay connected and come closer together through “SAMEEPA” our special portable ICGF package and let’s connect with the next generation at the biggest event of the year “Nexus 2020 - Next Gen & Us”, the 43rd Rotary International District 3190 Conference.

Dazzlers of 3190 will ensure that the torch of the torchbearers will keep shining bright. Our District Team is here to support you all along the way.

We congratulate Miracle Maker President Rtn Vijayakumar and Ann. Savithri for Being the Inspiration and wish Dazzler President Rtn Suresh K T and Ann. Rtn Pushpa Suresh the very best as they set out to make Rotary Connect the World.

Rtn. Dr. Sameer

District Governor 2019-20

Rotary International District 3190

The Year of Miracle Makers by IPP Rtn.Vijay Kumar

Dear Friends,

Ann Savithri Vijayakumar joins me to Wish “Happy New Rotary Year” to all The Northwester & family !!

Congratulations to The Dazzler President Rtn Suresh K T & First Lady Rtn Pushpa Suresh !!

Best Wishes to the Team Dazzler of Northwest and Have a wonderful year ahead to take the Glory of Northwester to greater heights !!

It was a very enjoyable year for me as a President of Rotary Bangalore Northwest - for the RY 2018-19. I thank each club member for the Support & Cooperation given to me to lead the team effectively. This opportunity made me Proud as I could do something to the needy community during my leadership. Thanks for the opportunity given to me.

I am inspired by few Rotarians of our wonderful club, with their enthusiasm and commitment - It is not just their commitment for Serving the Community, but the passion of being Rotarian as Northwester. I remember the days, where few of the members enthusiastically called me and volunteered for being Avenue Director, which gave me the confident that I can lead the club during 2018-19.

I would like to mention few of the highlights of the events that Inspired me:

- The first day of the Rotary year 2018-19, started with the health camp project, First day Meeting with good attendance of our club members, Inspiring Contribution by PE Rtn K T Suresh AND, Ann Pushpa Suresh became Rtn Pushpa Suresh !!!
- Flood Relief Fund, gave me an opportunity to learn the art of asking for contribution. Within very short period we could generate a considerable amount. The most Inspiring Action was, how we utilized that fund for the sustaining support to the affected community.

- The ICGF – International & Vocational Service – was hosted by Northwesters, with RB Yelahanka as a Co-host – I would say, I am a Lucky President of Northwest, for having such an efficient Star Performers of Northwest who have contributed in so many ways to make this event a Proud Event !!
- Contribution for 10 Paediatric Heart Surgery, though the number is not that great as compared the past milestones, I am extremely happy that we could touch so many hearts during my year. Our contribution for 10 needy patients for Dialysis, made me prouder. My wish is, our club should take this as one of the ongoing project in coming years.
- The donor recognition eve, a memorable and purposeful event. I am sure most the Donors will continue to be supporting the community thro RBNW.

The above and each event of the Rotary Year 2018-19, would not have happened so well, without the contribution and co-operation of “My Team of Avenue Directors”. My Sincere Thanks to “My Team”.

My Sincere Thanks my “FRIEND” Mr. Somasundar for having introduced me to Rotary World thro our club – without that, I would not have this wonderful opportunity to Serve the Community.

Without the cooperation and support of my family members, specifically Ann Savithri & my children, I would not made use of this opportunity. My love & gratitude to all my family members.

The satisfaction of Serving the community & joy of being a Rotarian is something cannot be measured and should be felt within... Which is much more than the awards & recognition !!

Yours in Rotary

Rtn Vijayakumar V

RI President speaks on the theme " Rotary connects the world "

"Rotary is all about connection. When you join a club, you connect with the business leaders in your community. Rotary connects you and clubs and Districts for service around the world. The whole basis of The Rotary Foundation is to connect Rotary clubs in one part of the world with Rotary clubs in another part of the world, typically Rotary clubs from a developed country with Rotary clubs in a developing country to undertake a humanitarian service project"

Unique projects :

RC Ranchi Midtown RID 3250 installed a Sanitary Pad vending machine at the barracks of women constables of the Jharkhand Armed Police .

RC Hoshiapur North RID 3070 : In a novel project to create road safety awareness, Yamaraj intercepted motorists on the busy roads urging people to wear helmet and seat belt while driving and distributed roses to those drivers who observed the norms

UNDERSTANDING GLOBAL GRANTS PROJECT

As Rotary club members, we contribute our skills, expertise and financial support to promote peace, fight disease, provide clean water, save mothers, support education and grow local economies. Rotary Global Grants support these efforts worldwide.

A Global Grant project must: Have a long term, sustainable impact. Include activities that fit into Rotary's area of focus. Invest at least \$30,000 within a community. Address an important need within the community. Strengthen the community's need to meet its own needs.

To make the project sustainable we have to: Start with the community's assessment of their needs. Encourage local ownership. Provide training. Buy local, as far as possible. Find local funding to integrate the project into the local community. Measure its success.

To qualify as a club for a Grant, one must attend a grant management seminar, complete the MOU between club and district and agree to any additional qualifications set by district. Collaboration is as much a part of Rotary as Service is. To apply for a Rotary grant through Rotary.org, two or more clubs must partner together: the host sponsor and the international sponsor. Both clubs must be qualified to participate, develop a plan, each must have a primary contact person, have project committees and partner with a cooperating organisation.

Requirements for a successful project plan are: Work as a team.

Plan for continuity. Decide who will do what Get expert advise, if required.

The Rotary Foundation accepts applications on global grants on a round the year basis. Details have to be submitted on project objectives, plan schedule, community needs, partners, budget and financing .

A very important aspect is to create a financial plan and manage grant funds responsibly. For this one has to: Develop a budget. Disburse grant funds properly during project implementation. Keep thorough financial records

Manage a club or district controlled separate bank account for the Global Grant Project Rotary asks for Grant reports to ensure good stewardship. Reports have to be submitted within 12 months of receiving the grant payment and every 12 months thereafter while the grant is open. For Global Grant Projects carried out in India, in case the project is not completed before 31 March, we have to submit a progress closure report with necessary documents before 30th May. The final closure report has to be submitted within two months after the project is complete.

RBNW is proud to have completed 4 memorable humanitarian Global Grant projects in partnership with overseas clubs. One of these is a reverse Global Grant Project where we are carrying out a project in the United States of America. In the next issues of this magazine some unique GG projects will be mentioned.
