President Message

My Dear Rotarian Friends, A very happy festival month to you and your family. Though it is festival time but we're unable to meet, in person, due to current situation of COVID-19. We all need to be more careful, cautious and safe while celebrating. Be home, be safe. It was indeed a good start for us, as we held physical installation ceremony with gracious presence of our DG Prashant Jani and First Lady Hita Jani Ji along-with our Board and members and also on zoom and Facebook live, with all of you. On the day of installation itself, we inaugurated Swamaan Store (a dream project of our DG Sir), first in the District and did tree plantation at Shree D A Anandpura Sports Complex. A historical moment for RCA, that on the day of installation, our Club announced 7 major donors. A major donor is one who donates USD \$ 10,000/- to The Rotary Foundation. With the help of major-donors as well as regular donors we are able to get a commitment of more than USD \$ 50000/-for The Rotary Foundation. In the Service Projects, we focused our attention mainly on COVID-19 related services. We distributed masks, Aayurvedic Kadhaa, sanitizer, sanitizer-machine, thermal-guns, oximeters & PPE kits etc in Covid Hospitals, Villages, Police Stations and to general public. We also distributed kits on mamta day to the mother of new-born baby under Dist. Service Project HUMF (૬૬). Friends, only one of its kind in the whole Gujarat, we set-up Covid Crematorium near Narmada River bank along with Ankleshwar Municipality. Our club will also provide wood free-of-cost for cremation till the COVID lasts. During the month we did more than 50 projects, worth more than Rs. 25 Lacs. As a part of MSP we planted more than 5000 plants at various locations, the main focus along with the plantations was to keep them safe so we provided fences in the tree plantation area at most of the places. During this year, we have started speaker-meet in our regular/general meetings. Currently we are inviting PDG's of our Dist. 3060. I feel, that we have come closer to each-other as everyone is attending the meetings, sitting in the comfort of one's home, without any hassels of getting formally dressed-up! Let us work cohesively, come together but be safe. May we be instrumental to open more opportunities for the service of humanity...
